### **Activites of BioNET-SACNET-BRGB**

---

Professor Badrul Amin Bhuiya, Chair, BRGB and National Coordinator for BioNET-SACNET Bangladesh; Professor Dr. Amin Uddin Mridha, Vice-Chair, BRGB; Professor Mostafa Kamal Pasha, EC Member, BRGB, Mr. Shawkat Hossain, EC Member, BRGB; and Dr. Zonaed Siddiqui, Member, BRGB, have been invited to attend the 2nd International Barcode of Life Conference to be held at the Academia Sinica in Taipei, Taiwan, from 18-20 September 2007. Professor Bhuiya and Mr. Shawkat Hossain will also attend the Regional Barcode Meeting to be held on 21 September in the same premises. The Consortium of Barcode of Life, Washington D. C. and Academia Sinica, Taiwan, will organize both the events.

In collaboration with BioNET-SACNET-BRGB, Professor Athula Perera of the University of Peradaniya, Sri Lanka will organize a short Training Course on Barcode of Life during middle of 2008 in which a number of BRGB members are expected to participate.
